## ELLE DECOR | LIFE STYLE. DESIGN. CULTURE.

### THIBAUT PERFORMANCE & PATTERN

Sierra is a collection of modern woven designs that blend luxury with worry-free Inside Out Performance Fabrics®. With nubby wool effects, soft chenilles and a faux leather, these fabrics add that sophisticated touch to lakeside lodges, tucked-away chalets—or wherever you call your happy place.

### SCAVOLINI CONVERT YOUR LIFE

BoxLife by Scavolini, designed by Rainlight Studio, was created to accommodate a variety of needs, a requirement for today's modern living spaces. BoxLife offers homeowners a chance to furnish any space in an organized and functional manner. BoxLife allows the same space to serve a variety of purposes, such as a place to cook, work, and sleep. Pictured here is the *Modern Apartment*—in this configuration, BoxLife is used to furnish and keep a small space organized, keeping both aesthetics and function top of mind in every detail.
